Dec 29 1782 Robt S Thomas & Magdalen Swindlehurst Lancaster. Christening from Lancaster Parish Registers [Winterbottom 1772]

From Ron: 1783 - 1793. A Stamp Act was passed. This decreed that a duty of 3d had to be paid for every entry of a birth or christening, marriage or burial. The duty was collected by the incumbent who was allowed to retain 10% as a commission. This came into force on 1st October but was repealed 10 years later. It had several interesting consequences. There was a great increase in the number of baptisms in the last few days of September 1783, many of the children being of several years of age and a similar 'bulge' after its repeal in 1793.

Those in receipt of parish relief were exempt from the tax, no payment being required for any person buried from 'any Workhouse or Hospital or at the sole expense of any Charity'.
