6. Elizabeth Ellen Swindlehurst. Christening 13 Jan 1895 Christ Church, Preston, Lancs.

Ron: This one is the daughter of James Swindlehurst. Elizabeth Ellen still appears to be unmarried in 1929/30 since the Electoral Roll for Preston shows her resident at 7 Wolseley Road.

Ann Jane Swindlehurst  
Victor Swindlehurst  
Elizabeth Ellen Swindlehurst  
Gladys Swindlehurst  
Herbert Richardson

The only remaining query is whom was the Elizabeth Ellen living with Mary Alice Simmons in 1922? The simplest explanation is it is the unmarried daughter of James since the other two candidates would have been married.

(2 spaces left)

Rn: I also confirmed that William James Swindlehurst was the illegitimate child of Mary Alice Swindlehurst.

William James is buried in the grave belonging to his Uncle James Swindlehurst.

Mary Alice could have been married twice

What are the origins of Elizabeth Coupe? Remembering we are still seeking the fate of

Mary 1811, first child and daughter of William and Ann Sanderson, any connection (?) with:

MARY SWINDLEHURST F Marriage: 25 DEC 1841 Saint John, Preston, Lancs.

Spouse: JOHN COUPE [When Mary 1811 aged about 30 if still living]

Ron: **James Swindlehurst (1861-1909)**

There appears to be two children baptised as James; the first in 1857 and the second in 1862. The first James was baptised at St. Lawrence's church Barton on the 13 September 1857.<sup>39</sup> There is a record of the burial of James at

Barton on February 5<sup>th</sup> 1858 aged 5 months. The second James was baptised at Barton on June 2<sup>nd</sup> 1861. James does not appear on the 1861 census at Hill Top farm.

He next appears in the 1871 census as a 9 year old Scholar at 18 River Street. He was born in Barton.<sup>40</sup>

James appears in the 1881 census for 18 River Street as a 19-year-old railway Courman.<sup>41</sup>

James appears to have married Ann Jane? sometime around 1881. Freebmd shows a marriage between James Swindlehurst and Ann Jane Parnell in the June quarter of 1882, 8e,996

John William was baptised at Christchurch, Preston on the 4<sup>th</sup> April 1883. He died on the 12<sup>th</sup> April 1883.<sup>42</sup>

The following data was extracted from the vital records CD set:

- In 1883 John William was baptised to James and Ann Jane Swindlehurst.
- In 1884 William was baptised to James and Ann Jane Swindlehurst.
- In 1886 Emanda was born in Hoole to James and Ann Jane Swindlehurst.
- In 1891 Edward was baptised to James and Ann Jane Swindlehurst.
- In 1895 Elizabeth Ellen was Birmingham to James and Ann Jane Swindlehurst.
- In 1897 Victor was baptised to James and Ann Jane Swindlehurst.
- In 1900 Gladys was baptised to James and Ann Jane Swindlehurst.

The 1901 census for Preston shows the family resident at 25 Northcote Road. James is a 39 year old Labourer in a Gas Works, his wife Anne J aged 40 and born in Hesketh Bank, William aged 16 and a Cotton Weaver, Edward aged 9, Elizabeth Ellen aged 6, Victor aged 3 and Gladys aged 1 month. There was also a lodger; William Holden aged 24 from Much Hoole.

The Electoral Roll for 1929/30 shows Ann Jane, Victor, Elizabeth Ellen, Gladys and a boarder Herbert Richardson, living at 7 Worsley Road.

He purchased a grave next to his sister Sarah Helm's plot. (ref W 864 CE)<sup>44</sup>

The following people were interred here.

It is interesting to note that James Swindlehurst himself does not appear to be interred here and that he died before 1930 when Ann Jane is described as a widow. (This could, of course be an error in the list of people buried in this grave. The lady at the cemetery office scanned each page of her register for Swindlehursts). Freebmd shows the death of a James Swindlehurst in the March quarter of 1909, 8e,456 aged 47.

Freebmd shows the death of a James Swindlehurst in the March quarter of 1909, 8e,456 aged 47. On reflection I suspect that the James in the above list was 47 when he died not 4.

The absent voters list for 1918 shows the following for 27 Northcote Road:

Edward Swindlehurst 11225 Sgt. 3<sup>rd</sup> battalion K O Royal Lancs

Victor Swindlehurst 221430 Bombardier Royal Field Artillery

It looks certain that the Edward in the above grave is the one referred to in the voter's list.

The 1929/30 Electoral Roll for Preston gives the following people resident at 7 Wolsley Road.

Ann Jane Swindlehurst

Victor Swindlehurst  
Elizabeth Ellen Swindlehurst  
Gladys Swindlehurst  
Herbert Richardson

It looks very much as though Victor and Edward are children of James. The free BMD gives a Victor born in the September quarter of 1897 (vol. 8e page 639) and Edward in the January quarter of 1891 (vol. 8e page 701).<sup>41</sup>

Gary: My Mother is transcribing the BMD's from the Keighley News on behalf of the Bradford Genealogy Soc., and came across the death of William Swindlehurst in Cottingley, Yorks (where they photographed the fairies!), in 1916.

I have traced back as much as I can, but then get stuck!

What I've found:-

1911 census. William is living in Cottingley with his wife, Ellen (Hardaker) and sister (sic) Fanny Hardaker (obviously sister-in-law). He was born in Birkenshaw, Yorks, abt 1854. No children.

1901 census. William and Ellen in Cottingley.

William and Ellen married in 1883 and he was a widower. Fathers: John Swindlehurst and George Hardaker, witnesses Robert Swindlehurst (Bro) and Fanny Hardaker.

1881 census. William is living in Cottingley with his wife Henrietta and her brother, John Hudson. Marriage took place in 1872, Henrietta died in 1882.

1871 census. Main Street, Bingley. William living with parents John and Jane and brother Robert.

1861 census. Keighley. Family consists of John, born 1823 in Preston, Lancs, Jane, b 1831 in Clayton, Bradford, William from Birkenshaw and Robert and James from Keighley. ( I guess that James must have died between 1861 and 1871)

From Lancs Parish Records; the only John Swindlehurst baptised in Preston at the approximate time was 24<sup>th</sup> Oct 1822, son of Robert and Ann. Of course, it is possible that he wasn't baptised at all, in which case it will be even harder to follow his line!

1884: WILLIAM SWINDLEHURST & JANE COXHEAD

William & Jane married 1884 Preston Register Office

[William shown in 1881 Census as unmarried, still living with parents, aged '30' and a Railway Pointman but married Rachel Blinkhorn 1874 Preston]

Rn: Given that Rachel didn't die till 1886 and the fact that he remarried in a registry office, does that mean he might have divorced (or kept quiet about her!)?

Children:

1. Elizabeth Ellen Swindlehurst. Birth 19 Dec 1884 Preston.  
Christening 1 Feb 1885 St Mary, Penwortham, Lancs.  
Abode: Penwortham. Father's occupation: Pointsman

Ron: This one is the daughter of William Swindlehurst. The last positive sighting of her was in the 1901 census for Preston when she was aged 16 and still living with her parents.

A possible marriage might be 1903 Preston: Elizabeth Ellen Swindlehurst, Ella Turner, Charles Buckley. Joseph Moore

In 1903 this Elizabeth Ellen would have been 18 years of age. I have no reason to believe this Elizabeth Ellen had a complicated life! It might be useful to find a marriage entry to confirm her age.

2. Lavinia Swindlehurst. Birth 1886. Christening: 20 Jun 1886 St John, Preston, Lancs.

### **Ron: Anthony Swindlehurst (1821-1843**

Anthony Swindlehurst was baptised at St. Eadmer's church in Bleasdale on the 11<sup>th</sup> February 1821

His parents were given as William and Nancy Swinglehurst a Farmer of Barnacre.

In 1841 he was 18 years old and living on the farm with his parents at Nateby.

Anthony died on August 1<sup>st</sup> 1843 aged 22 years. He was buried in St.Helen's, Churchtown with his father, grandfather and sisters Ann and Catherine.

Ron: Gill and I found the grave of Anthony Swindlehurst and his wife Clara Cadwalader in Scorton CE church. In June 2005. They married in Preston in the March quarter of 1884 8e, 655.

The gravestone reads In Loving Memory of Anthony the dearly loved husband of Clara Swindlehurst who died 26 July 1944 aged 88 years. At rest. Also the above named Clara Swindlehurst who died 21 April 1945 aged 85 years.

Reunited. Also George their son died in USA May 28 1954 aged 67 years.

Stan: As a child Anthony lived at the cottages "on the green" at Churchtown.

He told dad that as a boy, aged 7, his father took him to the brickworks at Barrow where his father worked in the works and he worked leading a horse and cart moving bricks away from the kiln. His father had taken the horse and cart the previous year but taking Anthony meant they could earn 2 wages. He also told the story that a girl from Ludlow, Shropshire had been employed as a servant at Churchtown Vicarage and he was asked to meet at Garstang (Catterall) Station and bring her to the Vicarage. Her name was Clara Cadwallader who he later married. They married on 19th March 1884 at St. Emmanuel Parish Church in Preston. The witnesses were George Swindlehurst and Thomas Cadwallader. At the time Anthony's address was given as 38 Havelock Street, Preston. They later moved the Crossings Cottages at Woodacre (Barnacre), they had the cottage nearest the crossings gates.

Anthony was the youngest linesman between London and Glasgow on the London, Midland and Scottish Railway (LMS) and Clara also worked for LMS as the crossings keeper. I believe their connection to Scorton is due to them residing at Woodacre. Scorton Church is probably less than 1 mile due north of Woodacre and they could walk either along the railway line or through the woods both of which are almost direct routes. Both Herbert and George their children attended Scorton School. Anthony was a member of the church choir all his adult life. In 1923 Anthony and Clara retired from the railway and moved to a bungalow they had had built called "Acre Hill" which is on the A6 at Cabus near to the Gubberford Lane junction (this lane links Cabus and Scorton). Cabus does not have its own Parish Church so Anthony and Clara naturally continue to see Scorton as their place of worship.

1890 Death: SWINDLEHURST John 37 St John Preston

**Dyanna:**

**His family in the 1891 census are as follows:**

15 Silver Street, Preston

Ann Swindlehurst aged 38 widow – housekeeper born Cockermouth, Cumberland

\*Joseph Swindlehurst aged 13 – son – cotton weaver born Carlisle, Cumberland

\*John Swindlehurst aged 14 – son – cotton weaver born Carlisle, Cumberland

Sarah Jane Swindlehurst aged 5 – dau – scholar born Carlisle, Cumberland

William Swindlehurst aged 4 – son – born Preston

Samuel Swindlehurst aged 3 – son – born Preston

You will also notice that there is no mention of the Ann Swindlehurst who you listed in your email. She was born in 1891 after the

census was taken and after her father John died.

\*You will notice from the 1891 census that 2 of the children (John and Joseph) were born **before** the marriage of John and Ann in 1884. These 2 children plus one other (Mary Ann) appear with Ann in Carlisle in 1881 (see below) and their mother Ann is listed as unmarried. They all have the names HOLMES. This suggests that these were Ann's children and that the name SWINDLEHURST was adopted by them after Ann's marriage to John in 1884. They may well have been John Swindlehurst's children but the only way to check their father's name is to obtain birth certs for them.

Mary Ann Holmes aged 10 – dau – scholar born Carlisle

John Holmes aged 4 – son - born Carlisle

Joseph Holmes aged 3 – son – born Carlisle

Hannah Holmes aged 25 – sister unmarried – weaver of woollen cloth born Carlisle

(Both Ann and her sister Hannah in the 1881 give their birth place as Carlisle. I think that this was either a transcription error or simply a 'say Carlisle for simplicity' at the time of the census taking. John & Joseph HOLMES match the John and Joseph who appear with the name SWINDLEHURST in the 1891 census in Preston. There does not appear to be another Ann HOLMES in the 1881 who matches the profile for age, place of birth, sister and children.)

During a scarlet fever epidemic in 1885, the corporation converted the infirmary of the recently-closed poor-law union workhouse in Horninglow Street to an isolation hospital. (fn. 2) The workhouse site was sold in 1891, and later the same year the corporation opened an isolation hospital at Outwoods,

just outside the borough boundary in Horninglow. A temporary building was replaced by the surviving brick building with stone dressings, designed by the borough surveyor, J.E. Swindlehurst, and opened in 1894. There is also a pavilion dated 1894. (fn. 3)
